P. A. Has Record Attendance

Peoples Academy, the Morrisville grades and the rural schools, all began Monday morning. The enrollment in Peoples Academy is the largest in the history of the school, there being an attendance of 188 today, with prospects of at least ten more to be added to the enrollment. There are 58 in the entering class at this time which is fourteen more than were registered the second day last year. The entering class occupy room two and when the whole school is assembled in No. 1 for devotional exercises the need of better accommodations is very apparent.

While a good share of the time yesterday was taken up in registration and organization, the regular classes were heard today. There was a registration of 215 in the grades yesterday, which is about 25 less than the full enrollment. This number will be considerably increased as many of school age have not yet registered.

Morrisville On State Ticket

Morrisville has a candidate for state auditor. The aspirant for the job is Ed. L. Cleveland of Lake street, who was the choice of the socialist party at the recent primary election.

Woman's Club

The first meeting of the Woman's Club for the season 1916-17 was held at the library on Monday evening with forty members present. The President, Mrs. Harriet Ide, presided and in a happy little speech welcomed the old members as well as the new and asked for their hearty co-operation in making this a record year in the history of the Club. The chairman of the various committees were asked to outline their plans for the year's work and some vacation notes were given informally. Mrs. H. J. Fisher gave a comprehensive and interesting report of the State Federation Convention and Miss Oella Thompson read a well-written paper on the Biennial Federation held in New York. Mrs. Lou Rublee presented a paper upon Sentiment in the Red Cross which was much enjoyed. The meeting was then given over to the social committee and refreshments of fruit punch and wafers were served and a very pleasant social hour enjoyed.

A Hughes Club

A Hughes Club for Lamolite county was organized at Hyde Park last Friday. Representatives from various parts of the county met Hon. John W. Titcomb, who has the organization of clubs throughout Vermont in charge. After dinner at the Inn, which was served by Mine Host Savery in his usual excellent manner, the following committee was chosen:—C. H. Stearns, chairman, D. A. Barrows, W. E. Tracy, Johnson; M. P. Maurice, C. H. A. Stafford, C. H. Slocum, Morrisville; A. A. Pike, A. H. Cheney, Stowe; L. C. Leavens, B. G. Reynolds, Cambridge; A. L. Laraway, Waterville; C. S. Leach, R. S. Page, S. B. Waite, Hyde Park.

Eighteenth Annual Corn Roast

Between sixty and seventy students of Peoples Academy—members of the Senior and Junior classes—and several of the faculty, partook of the well-known hospitality of Mr. and Mrs. H. L. Delano at their pleasant farm home on the Elmore mountain road last Saturday night. It was the eighteenth annual corn roast and as usual came as a fitting opening of the social events of the school year and all present voted the occasion one long to be remembered. As the party neared the rocks at the foot of the mountain, where the festivities were held, they were pleasantly surprised to see the letters P. A. shining forth from the darkness of the mountain side. Upon closer examination it was found to be the handiwork of their host, who had carved the letters—jack-o-lantern style—on the side of a mammoth pumpkin, with a regular sized lantern inside. A large bon-fire was built and all the pleasure of a real corn and apple roast were enjoyed, after which the company returned to the house, where coffee and doughnuts were served. A unanimous vote of thanks was given the Delanos and the sentiment expressed that these occasions continue, at least while anyone present was able to attend.

The Hardwick hotel has changed hands, Mr. Billings, of Marshfield, having bought the house. Mr. and Mrs. W. H. Snow have not yet decided just where they will locate, as they have several offers in view.

School started off Monday with a very good attendance.

Senator Page left this morning for a few days' business at Washington.

Rev. and Mrs. Hamlin of Amherst, Mass., are spending a few days in town.

S. B. Waite attended a meeting of the Republican State Committee in Burlington today.

Mrs. Delia Gauthier has returned from Loon Lake, N. Y., and is at Hyde Park for a short visit.

Work will be commenced Thursday on the road leading from the covered bridge to the Morristown line.

There will be a special meeting of the Home Culture Club at the home of Mrs. E. E. Badger, Friday evening, Sept. 22, at 8 o'clock.

Mrs. E. E. Gilson, who has been a visitor the past week at Moses Goodhue's and T. R. Woodard's, went Saturday to Hardwick for a brief stay before returning to her home in Sherbrooke, P. Q.

Allen's Western Photo-Plays are to be given at the Opera House on Thursday evening, Sept. 28. They are first-class and lovers of the "movies" can depend upon a good show. 10c and 20c.—Adv.

A delegation of twenty Rebekahs went to Hardwick last evening where, at a district meeting, they worked the degree, receiving much praise for the excellency in so doing. They were handsomely entertained by the Hardwick lodge.

T. C. Cheney, chairman of the Republican County Committee, and F. P. Collins, chairman of the Democratic County Committee, met with County Clerk Waite yesterday and canvassed the vote cast last week for county officers and certified to the same. The vote was practically as announced last week.

An informal reception in honor of the entering class and the new teachers of the L. C. A. will be held at the Cong'l Church Thursday, Sept. 21, at 8 p. m. Light refreshments will be served. An entertainment program and general good time is planned. A cordial invitation is extended to all friends of the school. No admission fee will be charged.

The new corner store will open for business on Saturday next. The store is well stocked with new and fresh goods and

the firm gives assurance that the same will be sold at reasonable prices. The store is certainly a fine addition to our village and we bespeak the firm a liberal patronage. On the opening day every customer purchasing a dollar or more of goods will be given a loaf of bread. Read their ad't on this page.

The village authorities ought to do something with the crossings on Main street. Autoists complain, and we think very justly, about the jouncing they get in going over the crossings, which a load or two of gravel would eliminate. And this reminds us that in crossing the railroad bridge there is a bad drop on the south side. Several people have received severe bumps by the jouncing of their machine over that place. We understand the railroad folks, who have that in charge, are planning to repair the same.

Nelson B. Keeler, who is in New England on a short leave of absence from the Philippines, spent a couple of days in town this week, greeting relatives and old friends. "Bay" looks well and is doing finely as a civil engineer in the government employ. It is ten years since he was here and he took great pleasure in looking over the old haunts of his boyhood days, especially the "Wintergreen" and "the old swimming hole." He goes back to the Philippines early in October, leaving his wife and children in Connecticut, where the five kiddies will attend school.

Lamoille County Country Club

Pike, Stowe; H. C. Fisk, Florida; B. W. McFarland, Hyde Park. The officers are: W. T. Slayton, President; C. H. Stearns, Vice Pres.; B. W. McFarland, Sec'y; Miss Alice Page, Treas.

The Club has a perpetual lease of lands on the Gavin Tyndall farm, just west of Hyde Park village, said to be the finest location for golf links in northern Vermont. The grounds will be put in order at once and a club house erected and a tennis court laid out next summer. Golf players are very enthusiastic concerning the movement and subscriptions to the stock are being taken by residents in various parts of the county as well as elsewhere.
